Participants' statements

<p>” The personalities that appear at this conference give new inspiration to both my team and me for the next period. It's a bit of a water of life, you can learn something here, find out something new.</p> <p><i>Dariusz Kostkowski</i> President of the Board, Bella</p>	<p>” We're going to a conference like this, where other industries tell you how they use Lean, like they are constantly improving, and we have a chance to peek at what they did. So maybe help us improve our company.</p> <p><i>Tim Adams</i> Vice President Global Continuous Improvement, Cooper Standard Inc.</p>	<p>” It was important for me to get a little better understand what really Lean is. And from this point of view I'm glad I came here, because it gave me a lot to think and a lot I take things with me back to the company.</p> <p><i>Marek Gołębiewski</i> Chief Financial Officer, Member of the ORLEN Lietuva Management Board</p>	<p>” I already have crossed out with a pencil at least a few points that I will want to change, implement at work for the next few months.</p> <p><i>Pawel Janicki</i> Supply Chain Director CEE, Wavin</p>	<p>” We have succeeded in last years to catch contacts with people who deal with lean very much professionally, they have a lot experiences in the US. So looking from the organization's perspective you can find a lot here values within this conference.</p> <p><i>Piotr Kowalewski</i> Consumer Process Director, Kruk SA</p>
